## TERMS OF CREDIT

By applying for credit with Cabinet Timbers, you agree that;

**You will settle your account at 30 days.** We must receive your payment by the last working day of the month after the month of invoice. Any variation must be agreed to in writing.

**We own the goods until they are paid for.** Despite the delivery, goods supplied to you remain our property until we receive payment for all amounts you owe us. Until you pay, you must keep our goods in the form as delivered and otherwise clearly identifiable as our property, together with our corresponding invoice(s). If your account is in default we have the irrevocable right to enter your premises (or the premises of any associated company or agent) to retake possession of the goods, without liability for trespass or damage. If you resell the goods, or products manufactured using the goods, then you must keep the proceeds of the sale on trust for us in a separate, identifiable account until we have been paid in full.

**You are liable for default interest.** If you do not pay according to these terms of credit, you must pay a default interest rate of 1% per month (12% per annum) on the overdue amount until paid. If your account is in default, the whole amount outstanding becomes immediately due and owing and attracts default interest.

**We may withdraw credit at any time.** We may withdraw your credit, withhold supply, or put your account on hold, at any time and without prior notice. We will notify you if we do this and explain why. We are not bound by your credit limit. If you exceed your credit limit, you must still pay amounts you owe to us.

**We may assign your rights.** We may assign your rights under this agreement.

**We may change these terms.** We may change these terms or credit if we give you written notification of the change.

**The account may be closed.** Your account may be closed by you or us on seven days written notice. Your account will be closed without notice if you do not use it for 12 months. You settle outstanding amounts at the time your account is closed.
